Association for Christian Ministries

C/O Inter Trauma Nexus

Pretoria

Dear Dr Louw

I recently read about the Association of Christian Ministries' and understand the following:

***The purpose of the voluntary association is enhancing the ministry of the Christian believer to represent Christ in the world we are living in; to bear witness to Him wherever they may be; and, according to the gifts given them, to carry on Christ's work of reconciliation in the world; and to take their place in everyday life and the ministry.***

***We encourage them to serve in the local church and beyond, using their spiritual gifts to inspire others to a deeper commitment to Christ and more effective discipleship.***

***The Association of Christian Ministries has a new approach to supporting and acknowledging committed individuals with a God-given calling to serve His people.***

I understand that there are opportunities to register as an affiliate or associate of the voluntary association. In order to help you to prepare the necessary documentation for my application, I gladly share the following information.

In sharing my information I understand that this is not an employment opportunity.

There will be a separate application process and an annual fee payable.

Sincerely,

---
